INTRODUCTION

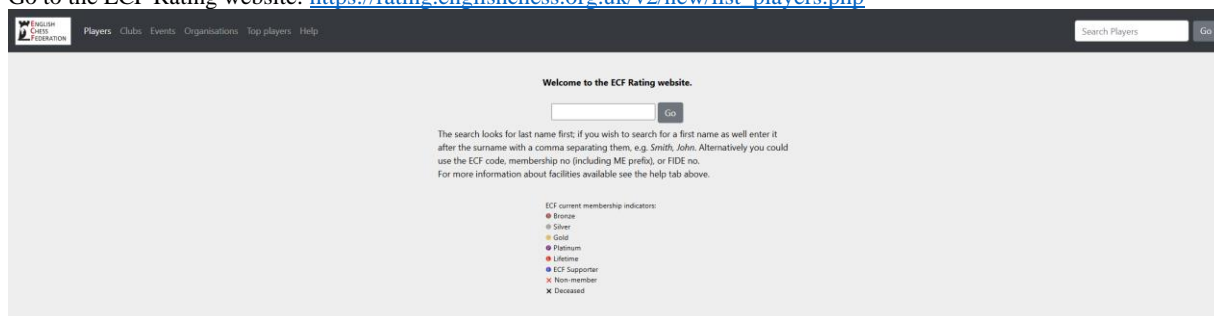

This document describes the steps to obtain the ECF ratings to be used in the HERCA closed competitions, i.e. HERCA league competitions, HERCA team cup competitions, HERCA individual competitions and HERCA junior competitions

HOW TO FIND YOUR TEAM'S RATINGS

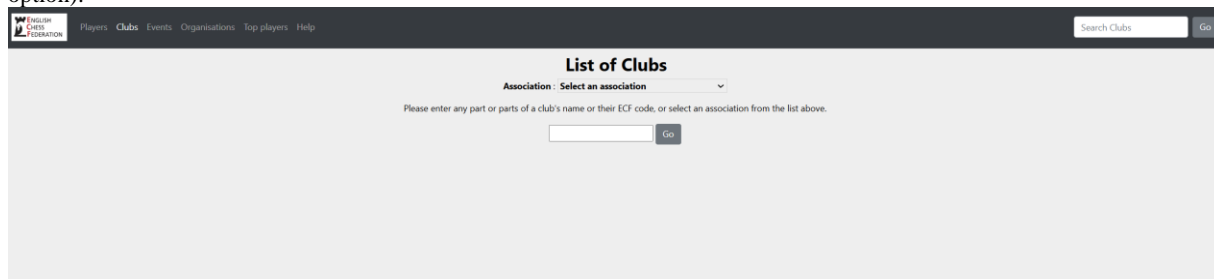

As explained in the rules, for the Winter League, Atkinson Cup and Ross Cup matches, the monthly Standard ECF ratings, specifically the "Latest Official Original Monthly Ratings" (which are the ratings shown in Blue on the ECF rating website), will be used, one month in arrears, meaning that, e.g. in September we will be using the ECF August ratings (See Appendix A) (New – EGM 2024).

Here are the steps:

1. Go to the ECF Rating website: https://rating.englishchess.org.uk/v2/new/list_players.php

2. At the top, Click on Clubs (if you're on a mobile device, press on the 3 horizontal lines at the top right to find the Clubs option):

3. Type in the full name of your club or part of it and then click on Go:
E.g. Beverley would give you a list of clubs:

5. The first column contains the latest published Standard ratings. However, we'll be using ratings from the previous month so you'll need to use the dropdown at the top to select the correct month (highlighted in yellow). E.g.: In league and cup matches played in **March**, the ECF Standard Latest Official Original Monthly Rating from **February** will be used:
